

CMAR Program Survey

Please express your opinion on any or all of the following questions. If you provide your contact information at the end of the survey, your name will be entered into a contest to win one year's membership in LAMA. Thank you for your opinions!

- A. Do you think CMAR would benefit you in your career path?

- B. Who should go through the CMAR Program?

- C. Please provide your opinion on the CMAR Program (in terms, of quality, relevance to the laboratory animal management industry, expanded your knowledge base, value of the program, etc.)?

- D. What differences and similarities do you feel exist between someone who has obtained their CMAR certification vs. someone with their LATG certification?

- E. What subject matter/topics should be added to or should be deleted from the CMAR Program?

- F. Please provide your opinions on the exam eligibility requirements for the program (education, work experience, managerial capacity, etc.)?

- G. Please provide your opinions on preparatory courses for the program (online vs. in classroom setting, taught to the test

vs. linked to lab animal management, frequency of the courses, amount of material that should be covered in a course, length of the course, etc.)? What are your thoughts on a 5-day preparatory course similar to the ILAM Format?

H. In terms of AALAS, LAMA and ICPM (Institute of Certified Professional Managers), what role should each organization have in the program and how can they improve the program?

I. AALAS

II. LAMA

III. ICPM

I. Please provide any additional feedback/comments that you would like to make regarding the overall CMAR Program?

J. Optional: Please provide your contact information.

Name:

Position/Title:
