LAMA EDUCATION FOUNDATION

AUCTION

Tuesday, April 9, 5-6:30pm - Waters Edge Ballroom

The LAMA Education Foundation was established as a charitable 501 C3 entity to promote, encourage and support educational and research activities involving the profession of laboratory animal management. The Foundation:

- Enlists the support and participation of persons to support these activities;
- Promotes academic standards and training;
- Solicits and disburses funds to support worthy scholarship recipients to attend annual ILAM training and other educational ventures deemed appropriate by the Foundation's Board of Directors.

The Foundation Auction during the LAMA / ATA Annual Meeting is one of the major funding sources for the Foundation. We encourage all attendees to consider contributing an item for bid at the auction and to participate actively in the auction bidding. All contributions to the Foundation are tax deductible as determined by the IRS. Great cause - great time!
